Application Process

Personal Licence

If you're planning to run a pub you'll need a Personal Licence. If you don't already have one, you should start making enquiries to take the one day course and exam to get the Award for Personal Licence Holders (APLH).

For information on getting a Personal Licence and training courses available, please look at www.wellsandco.com or phone us for the relevant details.

PEAT

You will also need to complete the online BII Pre-Entry Awareness Training (PEAT) course, which has been introduced to help prepare new licensees for taking on their own pub. Applicants will be asked to provide evidence that they have completed the course before they can be offered a pub. Details can be found online on the BII website at www.bii.org/peat.

You'll need to include your ideas for developing the pub's potential and must also include the source of funding for purchasing the business and any developments that may be needed.

Pub Overview

Situated on Queens St opposite a bustling market square, 'The Brickies' is a Hitchin landmark and a firm favourite with local beer aficionados thanks to its varied and well-kept real ale selection. The potential exists to complement this strong beer selection with a simple food offer and a wine menu, broadening the pub's appeal and giving its already loyal clientele extra reasons to visit. With a strong focus on football, The Bricklayers Arms is renowned as the best place in Hitchin to watch the big game, but it has also had success with live music events in the past. There exists a real opportunity for the right operator to drive the pub's entertainment calendar, enhance its bar sales and effectively market The Bricklayers Arms to its affluent local demographic of Hitchin and beyond.

Location

Follow the signs for the town centre and the Bricklayers Arms is overlooking the market square situated on Queens Street, Hitchin.

Property

The Bricklayers Arms is a large, double-fronted, brick building with plenty of period charm. There is a walled courtyard patio and raised garden to the rear. There is also a small car park, which is a valuable asset this close to the town centre. The pub is open plan and is served by a single bar with 8 hand pulls. To the rear of the building is a large courtyard which serves as a smoking provision and leads to a grassy, raised beer garden. The kitchen is small, and lacks extraction so a full menu offering is not currently possible. There is also a well proportioned underground cellar. The accommodation is located upstairs and consists of a lounge, 3 double bedrooms and a bathroom.
