Personal Licence

If you're planning to run a pub you'll need a Personal Licence. If you don't already have one, you should start making enquiries to take the one day course and exam to get the Award for Personal Licence Holders (APLH). For information on getting a Personal Licence and training courses available, please look at www.wellsandco.com or phone us for the relevant details.

PEAT

You will also need to complete the online BII Pre-Entry Awareness Training (PEAT) course, which has been introduced to help prepare new licensees for taking on their own pub. Applicants will be asked to provide evidence that they have completed the course before they can be offered a pub. Details can be found online on the BII website at www.bii.org/peat.

Pub Overview

The business currently attracts the local community with a predominantly wet led offering supported by pub games, weekly entertainment and satellite television. There is ample parking along with a large enclosed garden at the rear of the property.

The Charlton Arms, Chilwell

Location

Chilwell is a village and residential suburb of Nottingham. The area has good transport links to Nottingham city centre and has all the schools and shops you would expect in a city suburb. The pub itself has great visibility on the High Road.

Property

The Charlton Arms is a three story brick building in a good state of repair following a full refurbishment in 2019. The pub has a large car park and an enclosed garden to the rear. This is a large open plan one bar operation with over 100 covers.

Currently the trade area has screens throughout and various pub games such as darts, pool and quiz machines. The kitchen can be accessed through the bar area on the ground floor and there is a large rear courtyard for storage. The large basement cellar has ample storage space. The private accommodation is very large, set across 2 stories and is in good condition.

Business Potential

The business predominantly operates with a drinks led retail offer. There is a huge opportunity to implement a more substantial pub food offering, which will pro-long existing visitation and attract new consumers for dining.

We believe that the annual net turnover of this business should be in the region of £520k. Please note that these are estimated figures which are for guidance purposes only.

Fair Maintainable Trade income: £615,523 - Wet £538,303 & Food £77,220

The Retained Income for the operator for this site will be 32.5% of net weekly turnover on wet sales, 37% on Food & 50% of gaming machine profits. Potential Profit before drawings £34,514 and Machine Share estimated at £9,262

Suitable Applicants

The ideal operator/s must have a strong and welcoming personality with the ability to build strong relationship with local community groups. It is important that the business offers excellent customer service and a friendly welcome to the locals.

The confidence to manage a strong bar trade providing a safe place for all guests combined with the ability to juggle food and wet trade and lead a team by example to deliver very high standards would be highly advantageous. Experience with marketing and financial skills is also essential.
