Personal License

If you're planning to run a pub you'll need a Personal Licence. If you don't already have one, you should start making enquiries to take the one day course and exam to get the Award for Personal Licence Holders (APLH). For information on getting a Personal Licence and training courses available, please look at www.wellsandco.com or phone us for the relevant details.

PEAT

You will also need to complete the online BII Pre-Entry Awareness Training (PEAT) course, which has been introduced to help prepare new licensees for taking on their own pub. Applicants will be asked to provide evidence that they have completed the course before they can be offered a pub. Details can be found online on the BII website at www.bii.org/peat.

Pub Overview

The New Bowling Green is popular with locals and visitors and has built up a loyal trade with residents and people working in the town centre. The pub offers a good mix of Wells craft brews and an opportunity to grow food sales with the right operator. The extensive walled garden is a prized asset and drives trade in the summer months.

New Bowling Green - Warwick

Location

Located on the edge of Warwick town centre, the pub is accessible from the St Nicholas Car Park, which is also used by coach tours. Warwick is a historic town with a buoyant tourist and student population. Warwick Castle is a short walk away, and attracts over half a million visitors each year.

Property

The New Bowling Green is part of a 15th century terrace building with traditional features and has a lovely large garden to the rear which backs on to St Nicholas park. The trading area is served by a single bar and offers approx 30 covers, split between a bar/dining area and cosy snug. There is a catering kitchen and the private accomodation consists of 3 bedrooms, kitchen and bathroom.

Business Potential

There is a good opportunity here to build on both wet and food sales, maintaining and good relationship with both locals, businesses and tourists alike. Scope to open for more trading hours in the week days and push the business forward with a great opportunity to promote the lovely garden area which is packed in the summer months. This a true gem in the middle of Warwick.

Suitable Applicants

This business would suit an experienced operator who has good hospitality skills and the vision to drive sales. Owing to the location and trading style, experience of a premium food and drink offer is essential so this site can build on food and wet sales in the day. It would suit a focused operator with good marketing skills - although we are here to assist. A new up to date website will be required.
